Hi I think it would be fine to update a form 30 to what she really does versus what she used to do and then she should have it reviewed with her to ensure it captures what she does

Subject: Drug Lab AAs

Hello,
John Cronin from the MSP asked for the form 30s for the AAs in the drug lab. Janice Zanolli's form 30 was never updated after she was transferred into the position. Is this something we should address now? Thanks.
